Experience unparalleled elegance and comfort in this exquisite home, perfectly situated on an 8-acre plateau with breathtaking, panoramic mountain views. From the moment you step inside, you'll be captivated by the resilient bamboo hardwood flooring that extends throughout the entire residence, exuding both warmth and sophistication. The gourmet kitchen is a culinary delight, featuring sleek granite countertops, a convenient kitchen island with an extended granite top allows seating for 2, and top-of-the-line stainless appliances including a dishwasher, stove, and microwave. Abundant cabinet space and an 8-foot-wide pantry ensure that you have ample storage and organization options. Additionally, the Reverse Osmosis system and whole house water filtering system, both installed in October 2020, promise pristine, filtered water throughout the home. Adjacent to the kitchen, the large laundry room offers practicality and ease. The primary bath is a luxurious retreat, showcasing double vanity sinks and a deluxe walk-in shower with a rain head and shower wand for an indulgent experience. Each of the spacious bedrooms features its own full bath and walk-in closet, providing ultimate privacy and convenience. The home also includes a versatile office with an adjacent bath, ideal for remote work or a quiet study area. The expansive 2,000 sq. ft. covered wrap-around deck on three sides is perfect for entertaining or
